PCT-Application No.: PCT/IB03/01787
Applicant: HONEYWELL INTERNATIONAL INC.

Dear Mr. Starr,

Enclosed please find:

- a copy of the International Search Report provided by the European Patent Office, and
- copies of the documents cited in this International Search Report.

In order to save costs we have currently refrained from studying the cited references in detail.

Kindly let us draw your attention to the fact that the claims may be amended within two months from the date of submittal of the International Search Report or sixteen months from the date of priority, whichever time limit expires later. This means that in the present case amendments may be filed up to September 8, 2004 (final deadline; non-extendible). If amendments are desired, we need your instructions by

August 27, 2004.

Furthermore, please note that, if not already effected, a request for International Preliminary Examination has to be filed on or before December 8, 2004 (final deadline; non-extendible).

We enclose our invoice for services rendered.

Very truly yours,

Thomas J.A. Leson

Applicant HONEYWELL INTERNATIONAL INC.		

This International Search Report has been prepared by this International Searching Authority and is transmitted to the applicant according to Article 18. A copy is being transmitted to the International Bureau.

This International Search Report consists of a total of 2 sheets.

☒ It is also accompanied by a copy of each prior art document cited in this report.

1. Basis of the report

a. With regard to the **language**, the international search was carried out on the basis of the international application in the language in which it was filed, unless otherwise indicated under this item.

☐ the international search was carried out on the basis of a translation of the international application furnished to this Authority (Rule 23.1(b)).

b. With regard to any **nucleotide and/or amino acid sequence** disclosed in the international application, the international search was carried out on the basis of the sequence listing:

☐ contained in the international application in written form.

☐ filed together with the international application in computer readable form.

☐ furnished subsequently to this Authority in written form.

☐ furnished subsequently to this Authority in computer readable form.

☐ the statement that the subsequently furnished written sequence listing does not go beyond the disclosure in the international application as filed has been furnished.

☐ the statement that the information recorded in computer readable form is identical to the written sequence listing has been furnished

2. ☐ **Certain claims were found unsearchable** (See Box I).

3. ☐ **Unity of invention is lacking** (see Box II).

4. With regard to the title,

☒ the text is approved as submitted by the applicant.

☐ the text has been established by this Authority to read as follows:

5. With regard to the abstract,

☒ the text is approved as submitted by the applicant.

☐ the text has been established, according to Rule 38.2(b), by this Authority as it appears in Box III. The applicant may, within one month from the date of mailing of this international search report, submit comments to this Authority.

6. The figure of the drawings to be published with the abstract is Figure No.

☒ as suggested by the applicant.

☐ because the applicant failed to suggest a figure.

☐ because this figure better characterizes the invention.

☐ 1
 None of the figures.
